VINA BUHMWOO

ISO 9001, MADE IN VIETNAM

BW-90EG **Oil based anti rust oil**

Description BW- 90 EG is water insoluble anti-corrosion oil has good anti-oil stain performance for zinc plated steel coil and sheet

Benefits

1. It has good protection performance with oily film
2. It has good anti oil stain performance
3. It has good water displace performance
4. It can be removed by mineral solvent and alkaline cleaning oil
5. It has good lubricity and help to when need forming

Typical properties

Items	Results		Test method
Appearance	Semi-Brown transparent		Visual
Specific gravity (15/4°C)	0.92		ASTM D1298
Viscosity (40°C, cSt)	9.0		ASTM D 445
Friction coefficient, μ	Max 0.15		BIT manual
Water displacement	Pass		KS M 2109
Fourball test, LWI	Min 30		KS M 2026
Oil stain, 2hrs	None		MIL-C-22235A
Humidity cabinet test, hrs	200 , A		KS M 2109
Moisture, %	Max 0.1		KS M 2058
Degreasing performance	PYROCLEAN	Min 80	JIS Z 0305
	Ortho sodium silicate	Min 50	

* Above test results are new fluid's typical properties, can be changed by quality improvement.

Application Material : zinc plated coil and sheet
Method : dipping, spray, brushing

Term of validity a year with sealing up and indoor storage between 0~40

Safety Refer to the our MSDS for safety information

Caution

1. Please be careful about penetration of moisture while opening product.
2. The protection performance can be less caused by clearness, application, storage field, storage method of coated metal.

Shelf Life 12 months from production date at sealed in room
